The fees for the provision of any additional services are listed in the respective service request forms.

The registration fee includes the provision of No. 1 wireless user access, registration in the online catalogue and in the pocket guide, Exhibitor passes as prescribed, electricity connection and related consumption up to maximum 1,000 W of power used for each 16 square meters. The surcharges pursuant to Article 6 of the enclosed Regulations, as well as fitting and additional services are excluded and shall be paid by the last but one day of the exhibition.

T7 – Terms of payment

The terms of payment provided for in the Application Form shall be respected. They set forth the following:

The payment of the entire registration fee and 50% of the value of the exhibition space shall take place upon acceptance of the Exhibitor participation application by Fiera di Vicenza S.p.A., as provided by the exhibition general regulations and, in any case, **not later than 30th October 2015**.

The settlement of the remaining 50% of the value of the exhibition space shall occur by **15th January 2016**.

The payment of ancillary services and extra order provisions shall take place by and not later than the last but one day of the exhibition.

T8 – Exhibitor Conduct

Exhibitors of firearms shall first of all obtain authorisation to transport weapons by the Prefecture having jurisdiction over the territory. Then, once the transport authorisation is granted, they shall submit an application to the Prefecture of Vicenza enclosing a photocopy of the aforementioned authorisation to

transport weapons. The application shall be made provided with one € 16.00 stamp duty, enclosing a further € 16.00 stamp duty required for the authorisation issued by the Prefecture of Vicenza. The application shall have as its subject the wording "richiesta autorizzazione per il deposito temporaneo di armi ai fini espositivi presso la Fiera di Vicenza - Via dell'Oreficeria, 16 per i giorni (indicare i giorni in cui le armi permarranno in deposito presso Fiera di Vicenza)" [Application for the authorisation for the temporary storage of weapons for

exhibition purposes at Fiera di Vicenza - Via dell'Oreficeria 16, for the days (state the days in which weapons will remain stored at the Fiera di Vicenza] and shall be sent well in advance. In the same application it is necessary to specify that the weapons on display will be the same authorised for transport. Weapons may be displayed only if disabled and not loaded; moreover, they shall be secured by means of suitable efficient anti-theft measures.

GENERAL REGULATIONS FOR THE EXHIBITIONS ORGANISED BY FIERA DI VICENZA S.P.A.

Article 1 - Subject of the agreement for the participation in Exhibitions organised by Fiera di Vicenza S.p.A. (hereinafter also the "Organiser").

- The agreement for the participation in these exhibitions has for subject the following main services:
- the granting by Fiera di Vicenza S.p.A. to the Exhibitor of the free area allocated to the same within the fairground according to the terms and conditions set out in these Regulations, exclusively for the purpose of exhibiting its own products. The supply of the area refers exclusively to the exhibition duration period. Unless otherwise indicated in writing by Fiera di Vicenza S.p.A., the allocated area is intended to be free and clear of any kind of fitting and equipment.
- the granting by Fiera di Vicenza S.p.A. to the Exhibitor of passes allowing access to the fairgrounds on the terms and conditions specified in the application form and its annexes.
- the provision by Fiera di Vicenza S.p.A. to the Exhibitor of the general services described in the following articles 16 - 17 - 18 and 19 (General Surveillance Service of the fairgrounds, General Lighting, realisation of the online catalogue);
- the provision by Fiera di Vicenza S.p.A. to the Exhibitor of any additional services with fee requested by the Exhibitor (such as, by way of example, telephone services, issuance of additional entry passes, additional electricity, safe rental, advertising services, etc.) depending on the availability of the same and on the quantities made available by the suppliers of Fiera di Vicenza S.p.A.
- the payment by the Exhibitor to Fiera di Vicenza S.p.A. of the consideration provided in the application form on the terms therein contained;
- the area fitting assembly/disassembly at the expense of the Exhibitor, within the deadlines set out in the application form and/or stated in the written notices served by the General Management of Fiera di Vicenza S.p.A.;
- the custody, at the expense of the Exhibitor, of all the goods and items, furnishings and fittings included, which are present in its stand for the entire duration of the exhibition (including during fitting assembly/disassembly periods).
- the compliance with the terms and conditions contained herein and in the application form.

Article 2 - Submission of the application form.

The application form, which shall be prepared using the forms provided by Fiera di Vicenza S.p.A. represents an irrevocable commitment by the Exhibitor; therefore, it shall be submitted to the Secretariat of Fiera di Vicenza S.p.A. within the deadlines set out by the same and it shall bear the signature of the authorised person or the legal representative of the company. The application form may be submitted by national and international business, including one-person businesses, operating in the product sectors of the exhibition, provided that they are not subject to insolvency proceedings, arrangements with creditors or liquidation proceedings pursuant to the laws of the State of origin.

Exhibitors submitting their application forms shall be in possession of the administrative authorisations required for the specific activity carried out.

Applicants are required to declare exact and up-to-date data, as well as to give timely notice to Fiera di Vicenza S.p.A. of any change occurring with reference to the circumstances covered by the declarations made in the application form.

Article 3 - Acceptance of participation applications and selection of the Exhibitors.

Fiera di Vicenza S.p.A. shall decide, at its sole indisputable discretion and in accordance with the limits of the exhibition

spaces available at the exhibition centre, for the acceptance of the participation applications and the consequent admission of the Exhibitors of the industry that request to participate in the event.

The activities related with the admission of the Exhibitors and the assignment of the exhibition spaces is a free execution of a private commercial business activity, carried out in a competitive context, specific to the fair market.

Not any right or expectation of any kind might be alleged by the Exhibitor as a result of previous participations in the exhibition, as the allocation of the exhibition spaces takes place with reference to each Individual edition of the exhibition. The selection of the Exhibitors and the associated assignment of the exhibition spaces will be made by the Organisation, also through the support of experts in the field, on the basis of the following parameters:

the quality and innovation of the product or production process;

- the financial - economic size attained by the company, also with reference to the export of the produced goods;
- the type of sales networks;
- the qualitative-quantitative level of the investments in the promotion of the products, with particular reference to the presence in foreign markets;
- the respect for property rights and for the principles governing the fair and orderly conduct of the free market;
- the consistency of the level and quality of production with the quality standards of the exhibition and its mission;
- the compliance with the regulations of the exhibition during the participation in previous editions of the exhibition.
- The acceptance of the participation application form submitted by the applicant and the consequent conclusion of the participation agreement shall take place exclusively by means of written confirmation notice served by Fiera di Vicenza S.p.A., containing information and the location of the allocated exhibition space.

Also after the written confirmation of the participation application, Fiera di Vicenza S.p.A., in order to attain an optimal and efficient use of the exhibition spaces, reserves the right to modify the positions and/or size of the allocated stands.

In this case, the Exhibitor has the right to terminate, within ten days from the notice, the participation agreement and obtain the reimbursement of the amounts paid to the Organiser, with the exclusion of any other indemnities, compensations, revaluations and interests.

Article 4 - Terms of payment.

Payments of amounts due to Fiera di Vicenza S.p.A. must be in accordance with the procedures and deadlines set out in the "cost of participation" information of the application form. The lack of acceptance of the application by Fiera di Vicenza S.p.A. entitles you to a refund of the amount paid with the submission of the application.

Failure to comply with the deadlines set forth in the application form shall entitle Fiera di Vicenza S.p.A. to terminate the participation agreement to the detriment of the Exhibitor pursuant to article 1456 of the Italian Civil Code.

The settlement of the charges for additional services requested and supplied during the exhibition shall be in any case carried out by the last but one day of the exhibition.

Article 5 - How to use the allocated exhibition spaces. Indemnification clause.

The space allocated to the Exhibitor may be used by the same exclusively during the exhibition and at the times defined in the Technical Regulations and by the Management of Fiera di Vicenza S.p.A.

The area remains in the property and in the possession of Fiera di Vicenza S.p.A.

The size of the stands shall be such as to comply with the project authorised by Fiera di Vicenza S.p.A. pursuant to the following article 11 and shall comply with the size of the area allocated by Fiera di Vicenza S.p.A.

Except in special cases, which shall be authorised in writing by the General Management and/or the Operations Management of Fiera di Vicenza S.p.A., the areas are made available to the Exhibitor five days before the start of the exhibition and the stands shall be ready by 6.30 p.m. on the day before the exhibition opening date.

The Exhibitor is required to supervise, with its staff, the exhibition stand throughout the entire exhibition opening period.

The Exhibitor is the sole custodian for the entire period of the exhibition (including the period of fitting assembly/disassembly) of all materials, goods and furnishings present in the stand.

As custodian of the exhibition space, the Exhibitor undertakes to indemnify, substantially and procedurally, the Organiser and to keep the same indemnified against any loss, damage, liability, cost or expense, including legal fees, arising from the use of the stand and of the allocated exhibition space.

The exit mode applied to the exhibition products leaving the pavilions, both during the show and after its closure, is governed and disciplined by the issue of the "exit voucher" which shall be given by the Exhibitor to the service personnel of Fiera di Vicenza S.p.A.

Article 6 - Exhibition opening/closing.

The opening and closing dates and times for the exhibitions are established by Fiera di Vicenza S.p.A. Any changes to the opening time, as well as to the dates of the Exhibitions, timely notified to the Exhibitors, shall not result in any charges whatsoever to Fiera di Vicenza S.p.A. Should the Exhibitions not take place for reasons of force majeure (including failure to obtain the issue of the permits required for carrying out the trade fair activity from the Public Authority), the liability of Fiera di Vicenza S.p.A. shall be limited to the mere reimbursement of the sums paid by the exhibitor companies.

Article 7 - Prohibition of assigning the agreement and exhibition area supply.

The Exhibitor is not entitled to transfer the participation agreement and related claims. Likewise, the transfer, also free of charge, of all or part of one's own exhibition space is also forbidden.

Any co-exposures (whereby intending the assignment of the exhibition space to two or more companies) shall be granted only upon written approval of the General Management. The simultaneous presence within the same exhibition space of businesses belonging to the same group of companies and/or of affiliated companies pursuant to article 2359 of the Italian Civil Code do not fall into this category, but shall still be authorised in advance by the General Management.

In case of proven unauthorised co-exposure, the personnel of Fiera di Vicenza S.p.A. is entitled to expel from the fairgrounds the company hosted sine titulo.

In order to allow the smooth performance of the Exhibition, Fiera di Vicenza S.p.A. may freely dispose of the exhibition areas and stands that are not used by the Exhibitor at the time of the opening of the event, also if areas were subject to confirmation by the Organiser, without prejudice to any request for compensation for the damage suffered by Fiera di Vicenza S.p.A. due to default of the Exhibitor concerning the obligation to set up and man the stand.

Article 8 - Obligation to obtain authorisation for the Exhibition Area Fitting Project.

All Exhibitors are required to submit to Fiera di Vicenza S.p.A.

the project for setting up their stand within at least thirty days prior to the opening of the exhibition and to implement it by their own and at their own expense only after having obtained the approval by the Operations Manager of Fiera di Vicenza S.p.A.

In the absence of such an approval, Fiera di Vicenza S.p.A. reserves the right to have all fitting equipment be modified or removed completely or in part if they were implemented without authorisation and if they do not comply with the technical regulations in force or cause harm to the overall view of the pavilion or may damage the Exhibitors or the visitors.

The fitting equipment cannot in any case occupy a greater area than that provided for each stand, nor exceed the limits laid down by Fiera di Vicenza S.p.A. as regards the side or background partitions.

Article 9 - Disassembly. Consent to have Fiera Vicenza S.p.A. clearing out the exhibition area

By the end of the third day after the closure of exhibitions, the Exhibitors are required to return the exhibition space in the same state in which it was assigned to the same. Any damage caused to structures owned by Fiera di Vicenza S.p.A. and claimed against the Exhibitor shall be subsequently charged to the Exhibitor.

The disassembly of the fitted area and the clearing out of the exhibition space may start only after the closing of the exhibitions according to the time schedule notified by Fiera di Vicenza S.p.A.

In the event of non-compliance with the disassembly schedule and/or in case of inactivity in clearing out the area, the Exhibitor hereby grants its irrevocable consent to have Fiera di Vicenza S.p.A. clear out the materials used for the fitting and any other objects in the stand and store the same also at the premises of third parties. All resulting costs and the risks of theft, loss or damage shall be borne by the Exhibitor.

After two months from the deadline set forth for the disassembly, the Exhibitor hereby agrees and gives an irrevocable mandate to Fiera di Vicenza S.p.A. to sell at auction, including through the "Sale on commission" procedure by Istituto Vendite Giudiziarie, any materials and furnishings that were not picked up, withholding the incurred costs.

Article 10 - Sale of products.

The sale to the public, as well as the display of prices, may be made only when this is expressly authorised by the General Management of Fiera di Vicenza S.p.A.

Article 11 - Rules governing the display.

The exhibition activity by the Exhibitor shall comply with all the rules for the protection of the dignity and respect of all the participants in the exhibition and proper conduct of the economic and commercial transactions.

In detail, the principles of free competition, of protection of the property rights on models, designs and products of the goods of the Exhibitors, as well as of consumer protection and the free movement of goods and merchandise shall be complied with.

Exhibitors may exhibit exclusively their own products (and/or goods distributed pursuant to representation or agency agreements with the manufacturing parent company and/or pursuant to trade agreements) belonging to the sectors of the exhibition as indicated in the application form.

In the case of commercial enterprises, they may exhibit exclusively products whose brands and names have been communicated to Fiera di Vicenza S.p.A. together with their participation application form.

Any form of unfair competition among the participants in the exhibition is prohibited.

To this end, the Exhibitor undertakes to accept, for exhibition purposes and to ensure the smooth performance of the Exhibition, all those initiatives that Fiera di Vicenza S.p.A. may undertake to ensure the immediate cessation of any possible unfair competition or to protect the other Exhibitors and Fiera di Vicenza S.p.A. itself.

Article 12 - Access by Fiera di Vicenza S.p.A. personnel to the exhibition stand.

The personnel of the Commercial Office and Operations Management of Fiera di Vicenza S.p.A. are entitled to access and check the stand to verify the compliance with the participation conditions by the Exhibitor. Should the personnel entrusted by Fiera di Vicenza S.p.A. ascertain any breach of the rules herein contained, they may notify a written claim delivering a copy of the same notice to the personnel present at the stand, which shall be deemed delivered and notified to the Exhibitor for all intents and purposes.

Article 13 - Technical Regulations of Fiera di Vicenza S.p.A.

The Exhibitor declares having knowledge of the Technical Regulations in force at Fiera di Vicenza S.p.A., as well as to accept their content and to commit itself to comply with the provisions therein contained and to forward them also to its personnel and contractors. These Regulations, which are an integral part of this agreement, are available at the Safety Office or they can be downloaded from the website of Fiera di Vicenza at the following link:

<http://www.vicenzafiera.it/it/fiera/servizi.php>

Failure to comply with the provisions of the Technical Regulations (characteristics of the fitting materials, compliance of electrical systems, etc.) shall lead to the adoption by Fiera di Vicenza S.p.A. of all measures deemed necessary to assure the respect and protection of people and structures.

Article 14 - Occupational Safety Regulations

The Exhibitor, pursuant to article 26 of the Italian Legislative Decree 81/08, hereby declares to provide for the verification of the technical and professional qualifications of the Stand Installers who will be appointed by the same and shall provide the same with detailed information regarding the specific risks existing in the environment in which they have to operate.

To complement this objective, the Exhibitor declares having knowledge of the Occupational Safety Regulations in force at Fiera di Vicenza S.p.A., as well as to accept their content and to commit itself to comply with the provisions therein contained and to forward them also to its personnel and contractors. These Regulations, which are an integral part of this agreement, are available at the Safety Office or they can be downloaded from the website of Fiera di Vicenza at the following link:

<http://www.vicenzafiera.it/it/fiera/servizi.php>

The Exhibition Centre area of Fiera di Vicenza S.p.A. also has an Occupational Safety Management System protecting the health of people working within its premises. This System includes performing monitoring activities relating to non-conformities that may occur.

Especially during the stand setting up and dismantling phases of the exhibitions, personnel entrusted by Fiera di Vicenza S.p.A. shall perform audits to assess the compliance with the Italian Legislative Decree No. 81/08, as amended, as well as with the Technical, Occupational Safety and Participation Regulations, documenting irregularities and providing information on correct behaviours to be adopted by the existing operators.

Breaches by the workers of these rules shall result in the implementation of the following ladder of actions:

- recording of the non-compliance with the Regulations;
- communication of the same to both the Employer of the entrusted Company and to the responsible Exhibitor;
- removal of workers who fail to respect the rules.

Article 15 - Registration on the Occupational Safety Portal

The Exhibitor shall inform their Stand installers that in order to access the fairgrounds for setting up the stand, they will need first of all to register themselves on the Occupational Safety Portal of Fiera di Vicenza S.p.A. available through the website: www.fdvfsafety.it.

The registration procedure, besides requiring the entering of the identification data of the Installing company and of its installers, will require the provision of adequate information for the purpose, in accordance with article 26 of the Italian Legislative Decree No. 81/08 and subsequent amendments (Consolidated Law on Occupational Health and Safety), of:

informing the employees who will work inside the exhibition centre on the specific risks existing in the environment in which they are intended to work and the on the prevention, protection and emergency management measures in place; identifying possible measures to assure the protection and protection against the risks to which workers are exposed, in order to eliminate risks due to interference among the works of the various companies involved in setting up the fitting equipment for the exhibition.

Should the stand installation company detect any interventions that shall have to be carried out by Fiera di Vicenza S.p.A., it is necessary to contact the Safety Office to check and coordinate the implementation of these additional risk prevention and protection measures.

Article 16 - General lighting and heating/air conditioning service.

General lighting in the pavilions, during day and night, is managed by Fiera di Vicenza S.p.A.

Each Exhibitor may provide at its own expense, after authorisation by Fiera di Vicenza S.p.A., to further lighting (220 V) of the allocated exhibition space, in full compliance with the safety standards set forth by the Italian Law Decree 37/08.

Fiera di Vicenza S.p.A. provides for the heating/air conditioning service through its network of aeraulic systems.

Article 17 - Electricity supply.

Fiera di Vicenza S.p.A. ensures the supply of electricity (220/380 V) within the limits of the systems available to the same, according to the guarantee received from the utility companies.

For additional lighting systems with regards to those standard provided, the Exhibitor shall submit a specific request and pay the amount due.

The charges for consumption (220/380 V) exceeding 1 kW, shall be charged in relation to the actually installed systems, based on the rates in force at Fiera di Vicenza S.p.A.

Any consumption exceeding the required quantity will involve the discontinuation of the supply, plus the assumption of one's own responsibility and the payment of any penalties provided forth by Fiera di Vicenza S.p.A.

The request for the above-mentioned technical provision shall be made at the latest upon receipt of the acceptance of the "participation application form" by filling out the relevant forms.

Article 18 - General Supervisory Service.

Fiera di Vicenza S.p.A. provides for a general armed and unarmed surveillance service, during day and night, of the exhibition environments.

Fiera di Vicenza S.p.A. denies all responsibility for damages referred to in Article 26 and for damages caused by natural events or force majeure. In the closing hours of the Exhibition it is expressly forbidden to the Exhibitor to leave personnel in its own exhibition space, unless express written permission by Fiera di Vicenza S.p.A. is granted.

The Exhibitor is required to comply with the provisions laid down on this regard in the Technical Regulations of the exhibition centre.

The Exhibitor is the sole custodian of the goods and materials present at its exhibition stand.

Article 19 - Realisation of the Online Exhibitor Catalogue

Fiera di Vicenza S.p.A. provides, without this constituting a commitment or liability to the Exhibitor, for the realisation of the official catalogue of the Exhibition in the online version containing, in alphabetical order, the list of Exhibitors and the list of displayed products. The Catalogue contains the data that the Exhibitor will directly enter online. Not any responsibility may arise for Fiera di Vicenza S.p.A. in case of failure to include names and/or any data whatsoever provided late in relation to the deadlines communicated by Fiera di Vicenza S.p.A., as well as in case of incorrect data entry by the Exhibitor or incorrect page layout.

Article 20 - Realisation of passes allowing access to the Exhibitions.

Each Exhibitor is entitled to free entry passes and invitations for its customers that will be issued in the manner prescribed. Such passes shall be registered in the name of the visitor and be strictly personal; therefore, the transfer of the same is prohibited, even temporarily.

Article 21 - Permission to use images and data relating to the Exhibitor.

The Exhibitor hereby grants the broadest and unconditional release to Fiera di Vicenza S.p.A. for the use of data, images (also in photographic or video format) and news about the Exhibitor, its employees, the exhibiting company and the products exhibited at the exhibition. The data, images and information gathered by Fiera di Vicenza S.p.A. and/or its representatives during the course of the exhibitions may therefore be freely used by Fiera di Vicenza S.p.A. for promotional and communication purposes (for example, for drafting editorials, press releases, television services, promotional material) both in Italy and abroad.

Article 22 - Ban on advertisement outside the stand.

All forms of advertising outside the stand (distribution of advertising and/or promotional material, the presence of persons inviting to enter the stand and the like) is prohibited, except in case of prior written approval of the General Management of Fiera di Vicenza S.p.A.

It is also forbidden to advertise exhibition activities carried out at exhibition centres or commercial venues outside the fairgrounds, as well as to promote activities and/or products of other entities than the Exhibitor.

Failure to comply with the prohibition laid down in this Article shall entitle Fiera di Vicenza S.p.A. to terminate the participation agreement to the detriment of the Exhibitor pursuant to article 1456 of the Italian Civil Code.

Article 23 - Transportation and goods movement in the Fairground.

Fiera di Vicenza S.p.A. shall be held harmless against any liability for damages to persons or property that may arise from the transport of the same, while entering and exiting the fairgrounds. The Exhibitor that for his exhibition's area fitting reasons needs to use lifting equipment such as forklift trucks, electrical pallet trucks, elevator platforms, etc., will have to request them to the Official Supplier of Fiera di Vicenza S.p.A. The Official Supplier assumes non obligations to perform loading and unloading operations not previously booked. For the service booking please kindly contact the Official Supplier indicated in the Exhibitors Guide.

Article 24 - Machinery.

The exhibited machines can be operated, provided they do not cause a hazard or nuisance, after prior approval by the Operations Manager of Fiera di Vicenza S.p.A. and at the times and in the manner established by the General and Technical Regulations.

The machinery shall compulsorily be provided with a device aiming at preventing accidents, bad smells and the emission of gases and liquids.

The interested companies shall require in advance the necessary checks and comply with the regulations in force on this matter.

Fiera di Vicenza S.p.A. shall not be made liable in this regard for any direct or indirect damages to persons or things.

Article 25 - Protection of industrial and intellectual property.

The products, goods, exhibition spaces may not be photographed, filmed, drawn or reproduced in any way whatsoever without the permission of Fiera di Vicenza S.p.A. On the contrary, Fiera di Vicenza S.p.A. is entitled to reproduce, even by means of entrusted people, both overall and detailed views, both external and internal.

Article 26 - Insurance and exemption from liability for damages.

Each Exhibitor shall compulsorily insure:

the stand and the products exhibited or otherwise present in the stand against all risks (by way of example, but not limited to this: theft, fire, malicious events in general, damage resulting from seepage or dripping water, natural events in general - breakages, ruins) with the exclusion of the possibility of claim against Fiera di Vicenza S.p.A.;

the civil liability of the Exhibitor for damages caused to third parties and to its employees, as well as for damages caused to Fiera di Vicenza S.p.A. and its employees and/or entrusted people.

Fiera di Vicenza S.p.A. shall not be made liable for any damage caused to persons or property, however caused by anyone; therefore any damages caused by - by way of example and without limitation to the same - theft, fire, explosion, malicious events in general, natural events in general, water seepages, breakages, ruins and any other damage to third parties caused by responsibility of the Exhibitor and/or its personnel, both within and adjacent to the exhibition centre shall not be compensated. The Exhibitor is required to disclose to Fiera di Vicenza S.p.A., where required, the details of such insurance coverages.

Article 27 - Complaints.

Any complaints regarding the organisation and performance of the Exhibition shall be notified in writing to Fiera di Vicenza S.p.A. immediately and, in any case, no later than the last day of Exhibition opening. Subsequent complaints shall not be the subject of a dispute with Fiera di Vicenza S.p.A.

Article 28 - Information notice and consent to the processing of personal data.

Pursuant to article 13 of Legislative Decree 196/2003 (Personal data protection code), please note that the personal data provided by you, or otherwise acquired within the context of the activities of Fiera di Vicenza S.p.A., is subject to processing in compliance with the duties of confidentiality and in accordance with that expressly provided for in the above mentioned Code.

That data is processed, using information technology or manual tools, for the following purposes:

Participation as a sector operator/ visitor c/o Fiera di Vicenza S.p.A. To send commercial and promotional communications concerning Fiera di Vicenza S.p.A. activities; and for further marketing purposes such as research and market surveys Statistical analysis of aggregated data

By the processing personal data we mean collecting, recording, organising, storing, processing, modifying, selecting, extracting, comparing, reclassifying data by homogeneous economic category, using, interconnecting, blocking, communicating, disseminating, entering in the official websites of Fiera di Vicenza S.p.A. data related to commercial information, deleting it or the combination of two or more of those operations.

It is only obligatory to provide Fiera di Vicenza S.p.A. with data connected to a regulatory or contractual obligation, and to be able to fulfil the request made by the person granting that data. More specifically, data must be provided for the purposes set forth in point 1. Any refusal to provide that data and/or to consent to it being processed will mean that Fiera di Vicenza cannot fulfil the service requested.

Providing data and/or consenting to its being processed for the purpose set forth in points 2 and 3 is optional. Not consenting will not stop provision of the service requested.

You may request a list of who is in charge of processing from the Data Controller.

Article 29 - Explicit termination clause.

Precise compliance with the rules herein contained is essential to ensure the timely and proper performance of the exhibition, also in consideration of the great presence of Exhibitors and operators present in the fairgrounds.

In particular, failure to timely fulfil the obligations assigned to the Exhibitor as set forth in the previous articles 4, 11 and 22 shall result in the rightful termination of the agreement pursuant to article 1456 of the Italian Civil Code.

In this case, the termination shall occur when Fiera di Vicenza S.p.A. declares in writing that it intends to avail itself of this termination clause.

Should the resolution occur during the course of the exhibition, Fiera di Vicenza S.p.A., without prejudice to the request for damage compensation, may immediately order the closure of the stand and prevent the entrance to the fairgrounds to the Exhibitor, its employees and the personnel of the exhibiting company.

Article 30 - Governing law and competent jurisdiction.

These Regulations, as well as the participation agreement, are subject to the Italian legislation and jurisdiction.

Any dispute arising from the interpretation and implementation of these Regulations and of the participation agreement, shall be exclusively settled by the Court of Vicenza.

Article 31 - Additional provisions and/or amendments.

Fiera di Vicenza S.p.A., through its General Management, reserves the right, even in derogation to these regulations, to issue rules and provisions to better regulate the Exhibition and the related services. Such rules and provisions shall have equal value to those herein contained and compliance to the same is mandatory. FIRE PREVENTION PROVISIONS

1 - Fiera di Vicenza S.p.A. has taken all steps within its competence to prevent fires and to limit the consequences of the same.

However, the cooperation of all exhibitors is essential, since they shall take all possible measures of prudence and, above all, comply with the following provisions to reduce the likelihood of occurrence of a fire:

a)

- Floors and walls shall have a fire reaction class not greater than 2.
- The materials likely to catch fire on both sides, as well as on platforms, raised floors, panels for partition walls of the stands, curtains and ceilings, shall show a fire reaction class not greater than 1.
- Upholstered furniture shall show a fire reaction class 1IM.
- All display materials must be installed strictly in accordance with the requirements of their certificate of approval.

b) Fire reaction certificates (according to the Italian Ministerial Decree 26/6/1984 or according to UNI EN 13501-1) shall be delivered to the Secretariat of the Operations Management before the exhibition.

c) The declarations of conformity, pursuant to article 7 of the Ministerial Decree 37/08, shall be submitted to the Secretariat of the Operations Management before the exhibition.

d) The electrical systems inside the stands shall be carried out in full compliance with safety standards, in workmanlike manner, as set forth by the Ministerial Decree 37/08.

e) It is absolutely forbidden:

- to store at the stand: flammable, caustic and corrosive substances, as well as compressed or liquefied gases; flammable empty packaging, printed and advertising material in excess with reference to the needs of the day;

- to use stoves, toasters, equipment with unprotected glowing elements;

- to use heaters and/or equipment for the combustion of liquids or gases;

- to smoke inside the halls;

- to create second display fronts or occupy with any material the area of the corridors which shall, instead, remain free to their full extent.

f) Every day, before leaving the stand, the exhibitor shall:

- disconnect the power and protection panel switches of the of the electrical installation of the stand;

- assure that in the stand there are not any flammable materials.

g) People operating in the stand are obliged to identify and note the locations of fire fighting equipment (portable fire extinguishers, water hydrants) and of the closest exits.

2 - Failure to comply with the above mentioned rules entitles Fiera di Vicenza S.p.A. to:

- BAN the exhibitor from participating in subsequent exhibitions that will be held in the exhibition centre;

- FORBID the fitting company to work in the exhibition centre.

3 - Fiera di Vicenza S.p.A. denies all liability for any suspensory measures and/or sanctions that may be ordered by the Bodies entrusted with the inspections to those Exhibitors that are subject to inspections/checks, following which breaches are detected with reference to non-compliance with the regulatory framework in force and the instructions given.

For essential combustible coating elements that, for several technical and/or aesthetic reasons cannot be approved and/or properly fireproofed, the exhibitor shall submit an explicit request for authorization to the Operations Management, which reserves the right to authorize their use and/or assembly or not.
